

Yamada Bulletin

Change of Parts Number for AODD Center Disk

Thank you for your continuous support to YAMADA.

We would like to inform the parts number change of center disk for the following air operated double diaphragm pumps and pulsation dampener;

- 852328 NDP-40BPT
- 853172 NDP-40BPT-E
- 854390 NDP-H40BPT
- 852984 AD-40PT

More specifically, an additional processing will be applied to make the center disk for the purpose of shape stability. Hence, we will change from the conventional parts number 771726 to the new number 780323. The new number 780323 will be applied from the lot produced in July 1st 2020. Please be informed that this change will not affect the pump performance or the functions of the center disk. Also, please note that the new center disk 780323 is replaceable for the conventional center disk 771726.

Before July 2020

Conventional Parts #	Parts Name
771726	Center Disk

From July 2020

New parts #	Parts Name
780323	Center Disk
